W. C. T. U. Notes.

Woman's Christian Temperance Union meets Wednesday, 5 o'clock, p. m., in the chapel of the Christian Church.

The notes intended for the Roundabout last Saturday were lost on the way to the office. The fact was unknown to the writer until it was too late to prepare them again.

The "Scientific Temperance Education Bill" has passed both houses of Congress, has been signed by the President, and is now a law. It requires that the effects of alcohol and other narcotic poisons on the system be taught in all schools under control of the Government. The passage of the bill was a great victory for the W. C. T. U., as it was accomplished by the indefatigable efforts of our own Mrs. M. H. Hunt, National Sup't of Scientific Instruction, who remained in Washington until it was a law.

Wednesday, June 9th, being "Flower Mission Day," Mrs. W. H. Munnell, and Mrs. A. Clark came up from Louisville and visited the Penitentiary, assisted by Rev. Mr. Kavanaugh, several members of the Frankfort W. C. T. U., and teachers of the prison Sunday-school. The chapel had been beautifully decorated for the occasion by the inmates, and their faces told, that to them it was a "Flower Mission Day." The services began with singing "Jesus, Lover of my Soul," prayer by the Chaplain, history of the "Flower Mission," and reading scripture text prepared by Miss Jennie Cassidy, a short but beautiful and appropriate talk by Mrs. Clark, who finished her address by repeating the Lord's prayer, in which all the prisoners joined. Service in the chapel closed with "Praise God from Whom all blessings flow." After that the female department and hospital were visited, and a bouquet with its text card attached given to each one. With the simple gift, went an earnest prayer that God's word printed on the little cards might find its way to the heart of the recipient.

Men and women, white and black, gathered about the ladies to inquire after and send loving messages to their friend, Miss Jennie Cassidy, who from her sick bed was at that hour making intercession at the Throne of Grace for them.

Resolutions

Of the Ladies' Aid Society of Providence Church, Frankfort, Ky., on the death of Mrs. W. J. Williams.

With sad hearts and tearful eyes we meet to pay a tribute of respect and love to our sister, Mrs. W. J. Williams, who was the president of this society. It would be difficult to find one who combined so many traits of Christian character as our dear sister whose loss we mourn. Her life, though short, was filled with deeds of kindness and love, and her sympathetic spirit won the hearts of all who knew her. To us her death may seem untimely, but God who gave her life and who supported her in its close, is too wise to err. When with bleeding hearts we view her grave the comforting thought comes to us, "she is not dead but sleeping"—only the frail body lies here, the spirit has entered into that rest which remains for the people of God, and to-day sings with the redeemed around the throne, "Glory, glory to God."

Whereas, our beloved sister has been called from our midst by an all-wise God, it is therefore resolved

1. That with stricken hearts we bow to the will of God and accept this bereavement as the dispensation of a kind and merciful Father.

2. That we cherish the memory and follow her example, and that her chair in this society remain unoccupied for six months.

3. That we tender to her husband, our beloved pastor, and her bereaved family our hearty sympathy and love, and pray God to afford them abundant consolation.

4. That these resolutions be placed upon our minutes and a copy furnished to her husband and family.

By order of the society, May 31, 1886.

Republican Meeting.

FRANKFORT, KY., June 7th, 1886.

At a postponed meeting of the Republicans of Franklin county, held at the law office of Judge W. H. Speed, Capt. Ed. M. Drane, the chairman of the Franklin County Republican Committee called the meeting to order and requested Major Thos. Hutchison to act as secretary. Capt. Drane then stated the object of the meeting to be for the purpose of consulting with regard to what would be for the best interest of the party, would it be better to allow each candidate to announce himself as the Republican candidate for the office he desired?

Mr. Hutchison moved that this convention do now proceed to nominate candidates for the county offices to be voted for at the August election. Carried.

The chair then declared nominations in order, when the following ticket was unanimously selected:

For County Judge, V. Berberich; Circuit Clerk, John Todd; County Clerk, A. B. Hammond; Sheriff, Marion Scofield; Assessor, David Dalton; Coroner, Christopher Merchant; Jailer, Eli McDaniel; County School Superintendent, Lemuel Wentworth; Surveyor, Capt. Jo. H. Bailey; County Attorney, Isaac T. West.

Every precinct in the county was represented and by an intelligent set of gentlemen, and it is to be hoped that the Republicans of Franklin county will organize in each precinct, make a bold front, and try to elect our men. A long pull, a steady pull, and let us pull all together to secure success.

THOS. J. HUTCHISON, Sec'y.

Louisville Tobacco Market.

FURNISHED BY OLIVER & DUBRETT, PROPRIETORS LOUISVILLE TOBACCO WAREHOUSE.

The sales on our market for the week just closed amount to 2472 hhds. There has been a little stronger feeling on all grades of Burley tobacco, but no material improvement. It now looks as if there will be no material change in the market until it is ascertained what the planting of the new crop will be. Sales on our market since January 1st amount to 61,780 hhds. Our market now shows a stock of 21,489 hhds, which includes both Burley and Dark tobacco, sold and unsold. The following quotations fairly represent our market for new Burley tobacco:

Dark Trash	\$2.75 to	\$3.50
Colony Trash	3.50 to	4.50
Common Lugs	4.00 to	5.00
Colony Lugs	5.00 to	7.50
Common Leaf	5.50 to	6.00
Good Leaf	8.50 to	12.00
Fine Leaf	12.00 to	15.00
Select Wrappery Tobacco	15.00 to	18.00

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was relieved of rheumatism of 10 years' standing." Abraham Hare, Druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters cures all diseases of the liver, kidneys or blood. Only a half-dollar a bottle at Jos. Leconte's drug store.

Have been using Tongaline upon a patient who has been suffering with neuralgia for fifteen years; the effect was remarkable. It gave immediate relief.

R. T. CONALLY, M. D.,
Mountain Fork, Ark.

Most Remarkable Case.

During the summer of 1884 I suffered from blood poisoning, the result of a shot wound received during the "late unpleasantness;" my attention was called to the remedy of S. S. S. through the public press, and I wrote to the proprietors of that medicine, describing my case, which I repeat for the benefit of other sufferers. The ball struck the elbow joint and went through. It completely crushed all the articulative surface of the humerus so that both condyles and say four inches of the shaft of the bone were removed by the surgeon. It also severed the ulnar nerve. The operation left the arm much shortened and flabby, but it was very useful. Some time in the fall of 1879 it began to swell and inflame below the elbow, and soon after it suppurated and discharged horribly offensive matter. The bone spread until the entire forearm was a putrid mass, encroaching both on the back and palm of the hand. I was warned by the surgeons that this might happen in after life from nerve and blood poverty below the elbow. My condition may be imagined at that time. The wound was so offensive that I could hardly remain in a close room. I tried many remedies, external and internal, but with no avail. In June, 1884, I saw the advertisement of Swift's Specific in the city papers and I wrote immediately to the house in Atlanta, receiving the following as a reply: "We fear our S. S. S. will do you no good, except as a tonic." The very frankness of the reply induced me to try it. I was a good patient and rigidly followed the directions. The first bottle nearly drove me crazy with symptoms I cannot describe, but it (and I feel a lump in my throat as I write it) removed the frightful smell which had tormented me and all who came in contact with me for so long a time. As I continued the use of the medicine, say in a month or six weeks, marked improvement was apparent, until, as the winter set in, it had so healed that I could and wear a sleeve on my underclothing, which I had not done in three years before. The ulcer is very obstinate, and it was not until the middle of 1885 that it was entirely well. All redness and soreness has disappeared. Hair is growing on the arm as before and I ascribe all this to Swift's Specific. Had I dreamed of such success, I would have had the arm photographed before taking the medicine, that all might see the improvement. I have lived here for forty years, and am well known, and am ready to answer all inquiries from sufferers in regard to this case.

FRANKFORT ROUNDABOUT.

FRANKFORT, JUNE 12, 1886.

There will be a service of song at the First Presbyterian Church Sunday evening, June 20th, at 8 o'clock.

Go to Joe Bohannon's, on Lewis street, for awnings and wire window and door screens.

Rev. George Darsie delivered the annual address at Harris Institute, at Mt. Sterling last week.

The regular services will be held at the Southern Presbyterian Church tomorrow morning at 11 o'clock by the pastor, Rev. R. E. Caldwell.

A whicker dye must be convenient to use easy to apply, impossible to rub off, elegant in appearance, and cheap in price. Buckingham's Dye for the Whiskers combines in itself all these merits. Try it.

Rev. G. F. Bagby, pastor of the Baptist Church, will preach at the 1st Presbyterian Church Sabbath morning at 11 o'clock. Preaching in the evening by the pastor.

Rev. George Darsie will leave Monday to attend the commencement exercises at Bethany College, West Virginia, and will go thence to Western Pennsylvania, to visit relatives. He will be absent two weeks.

The ladies of the Baptist Church will give a supper for the benefit of the improvement fund of their Church in about two weeks, as the repairs upon the Church building will then be far enough advanced to enable them to use it for the purpose.

At the sale of Col. S. I. M. Major's personality on Thursday, prices for household goods were exceedingly low. His library, which is one of the finest in the west, and cost him \$25,000, was purchased by Mr. A. J. Alexander, of Spring Station, Woodford county, for \$3,000.

There is nothing like a primary election to bring out the vote, as is shown by the primaries held in this and other counties in this State recently. At the primary held in Montgomery county some two weeks since, out of a Democratic voting population of about 1,400 over 2,700 votes were cast; in this county, with a Democratic vote of about 1,300, 2,764 votes were polled on the 4th of April, and in Fayette county last Saturday, with a Democratic vote of about 2,500, 3,729 votes were cast. Nothing amuses the boys so much as a primary. A circus isn't a circumstance.

The closing concert of Prof. Wayland Graham's music scholars took place at the Opera House Tuesday evening, and was a decided success, a large audience being in attendance. The music was exceedingly fine, especially the singing of the Frankfort Maennerchor. The pupils all acquitted themselves well and reflected great credit upon their instructor. Gold medals were presented by Prof. Graham, after the close of the performance, to Miss Mattie Freeman, Woodford county, of the senior class, and Miss Mary Campbell Sawyer, this city, of the junior class, for having made the greatest progress during the year. They were handsomely engraved by Mr. Phillip Selbert, the St. Clair street jeweler, and were very beautiful.

Mr. John P. Starks, of the great White Hall Clothing House, in this city, is in New York attending the largest underwriters sale of clothing ever held in the United States, and yesterday morning Mr. D. C. Crutcher received the following telegram from him:

NEW YORK, June 10, 1886.
D. C. Crutcher, Frankfort, Ky.
Bought six thousand to-day. Sale continues tomorrow. Great bargains.

So in the next ten days the enterprising firm of Messrs. Crutcher & Starks will receive \$15,000 worth of clothing which cost them only 25 cents on the dollar, and will be enabled to offer our citizens the greatest bargains in clothing ever brought to this city, and it will pay anyone needing clothing to wait a week and then go and examine their immense stock.

The Blue Wing excursion party leaves the city wharf at 10 o'clock Sunday morning for Tyrone and Oregon, round trip rates 50 and 35 cents.

Editor Roundabout:

MANY VOTERS.

If Chas. W. Saffell will consent to run as the Republican candidate for Constable in this, the Frankfort magisterial district, he will be supported to a triumphant election.

The following ladies will furnish the Woman's Exchange of the Methodist Church for to-day: Mrs. J. L. Jones, Mrs. Walter George, Mrs. Gus. Talbot, Mrs. Walter Franklin, Mrs. J. J. Quin, Mrs. E. S. Theobald, Mrs. E. H. Taylor, Mrs. Geo. Gillam, Misses Sadie Tanner, Mattie Jones, Emma Kavanaugh, Louise Ward. The place of sale will be Mr. Patrick Russell's News Depot on St. Clair street, near the Branch Bank, instead of at the Singer Sewing Machine Co.'s office, as heretofore. Hours of sale are from 11 o'clock, a. m. to 6 o'clock, p. m., every Saturday.

Forks of Elkhorn.

Born.—To the wife of Thomas Hendricks, a son, June 8.

Mr. Henry Guinn has been on the sick list for a short while.

Miss Fannie Graves, of Versailles, is here visiting Mrs. Loyd Featherston.

Mr. G. S., of Stedmanville, has a new route now on Sunday afternoon.

The recent rains have done considerable damage to small grain.

Mr. W. M. Wilkerson and wife, of Scott, are down visiting their daughter, Mrs. Loyd Featherston.

Misses Effie and Lida Stedman, Bettie Jones and Kattie Cannon spent last Monday with Mrs. Sarah Featherston.

Misses Jennie Featherston, Jennie Macklin and Jennie Goddard returned home yesterday from Georgetown College.

Mr. S. Black sold last week a two year old Pretender filly, Lena Pepper, to Mr. S. M. Neal, of Shelbyville, for \$600.

Mrs. Sarah Featherston and son, Mr. M. F. Featherston, attended the commencement last Thursday and returned home Friday.

Madame Rumor is always saying something. This time it is a very grave thing. She speaks of a wedding in the vicinity of Stedmanville.

Many thanks to Messrs. J. W. Jones, Tom Wilkerson and South Trimble for subscribing to the ROUNDABOUT. Nothing like a good thing always on hand.

Mr. Wash Allen, wife and daughter, Miss Maggie, of Shelby county, came up last Saturday to visit friends and relatives. They will probably return to-day.

The poor fellow spoken of in our last issue with his immense stock of writing material says he has ordered his wedding suit. Nothing like plenty of material.

It is hoped that every officer and teacher will be present at the Teacher's Meeting of the Fork's Mission Sunday-school next Thursday evening, June 17, at Sister Sarah Featherston's.

The following program has been arranged for the Teacher's Mission Meeting to be held at Sister Sarah Featherston's next Thursday evening, at 8 o'clock:
Opening exercises—Singing, reading and prayer. Reading of minutes of last meeting. Address—Teachers' Meeting—by T. T. Cannon, assistant superintendent. Essay—the lessons of the present quarter—by Miss Bettie Jones. Address—Teaching—by J. H. Burdell, Superintendent. Reading, illustrations, a short reading by Miss Kattie Cannon. Closing exercises, unfinished business, new business, &c.

Antioch.

We are having good tobacco seasons, but not so good for clover hay.

Master James Glare has gone to Winchester to remain a few months.

There will be preaching at Antioch to-morrow week (3d Sunday) at 11 a. m.

Mrs. Martha Walston will rebuild her store house at once. The new one will be much larger and better than the one burned down a few weeks ago.

At the school election last Saturday Mr. Wm. Coble was elected trustee, receiving the unanimous vote. It was also decided by those present to move the school-house and put it on the lot of Mr. James Russell, between the two pikes.

Rev. W. Hampton will hold divine services at St. John's Chapel on the 3d Sunday, at 3 p. m., and will organize a Sunday-school at that time. We hope that all who have the good of the community at heart will be present and encourage Bro. Hampton in this matter. Build up your Sunday-schools.

The Blue Wing will take an excursion party to Tyrone and Oregon to-morrow morning, leaving the city wharf at 10 o'clock. Round trip rate 50 and 35 cents. Good order will be maintained.

Cornice Poles 30 cents each at R. Rogers.

Blue Wing excursionists can leave city wharf at 10 o'clock Sunday morning for Tyrone and Oregon, round trip rates 50 and 35 cents.

FRANKFORT ROUNDABOUT.

Bald Knob.

The Franklin county Teacher's Association met here today.

The teachers will dine this noon at Central Park in the open air.

All foreign guests will stay at the "table" after which the loose stragglers may gobble up the stray scraps.

The Grand Union Sunday-school will close its doors for the present, tomorrow evening, for reasons which will be explained hereafter.

Mr. Newt Harrod tenders the teachers the free use of his famous Central Park. Mr. Harrod is a generous young gentleman and prince.

Thanks to your learned reportorial at Pen Ridge for his brilliant compliments tendered the recent "festal magnificence" at Bald Knob.

The Union Sunday-school increases its weekly mammoth meetings by vast numbers. Prof. Tracy will deliver his farewell address on to-morrow at three o'clock.

Mrs. Susan Lee has taught the birds of the air to come down from their aerial perch on her hands. She is truly a naturalist. Where is there a widow equal to her?

A splendid new school-house is being erected on the ruins of the old building on Stoney Creek. The modern plan of the new building indicates the splendid talent of its patrons.

Mr. Walker Duncan and Mr. Gordon, of Lebanon, Mrs. Warfield and daughter, Alice, of Sandville, all celebrated vocalists, were among the distinguished arrivals at the Grand Union.

Mr. George Hoover, chairman of board of trustees, had been splitting stove wood for four days, which indicates the welcome reception he will offer to the teachers to-day. Mr. Hoover is a popular patron of education.

Messrs. Noel Lee and Berry Duncan returned last Sunday from a pleasant buggy trip to friends at Bellview, Pleasureville, Bethlehem and Sweet Home. They report all cereals in a vigorous condition.

On The Wing.

Mr. Editor:

Sorry to hear of our Uncle Zeke's illness, he being poisoned with the contents of the candidates' jugs. It produced a contraction of the spinal cord, and infested him with the double-breasted black azules, but since the payment of a policy the spinal cord has been expanded. Uncle Zeke is on again. Whilst the hair of the dog is good for the bite, Mr. Ballow will please ship him 8 dozen jugs to contain gas to be kept for winter use.

Most farmers are through setting tobacco. There will be an abundance of the weed this season.

We are inclined to believe that Mr. Willie Land, of this vicinity has his right name, as he recently informed a young lady that he owned land and money.

Mr. Thos. Watkins possesses great capacity for courting. He says he has been talking to the girls for six years and has talked to fifty odd and not one has said yes, yet, nor don't get discouraged. Tom things change every seven years. Only one year longer and you will win your doosie.

We understand Mr. J. A. Bell, of Hutton, Ky., will travel in the interest of a Life Insurance Company. May his works be crowned with much success, for he is a worthy man and a clever gentleman. Mr. W. L. Lee will occupy his present place of business both as agent, Post-office official and merchant. May he win the regard of all who patronize him, as he is a worthy gentleman.

Resolutions of Respect.

To the Noble Grand, Officers and Members of Capital Lodge, No. 6, I. O. O. F.

On the 2d of June Capital Lodge was again called on to mourn the death of another member who had to succumb to the inevitable dart of death. After a long and painful struggle with a fatal disease, Bro. Thos. J. Chapman gave up his life; and whereas, it is right and proper that his sorrowing brothers should give expression to their sorrow at his death, therefore be it

Resolved, That in the death of Bro. Thos. J. Chapman Capital Lodge has lost a true and devoted member, one who ever had its interest and prosperity at heart; always true and faithful to the principle, the order and the lodge.

Resolved, The community in which he lived has lost a good and enterprising citizen.

Resolved, That the above preamble and resolutions be recorded on the minutes of our Lodge and the same be published in the city papers and in the Midway Clipper, and a copy sent to the family of our deceased brother.

AN OPIUM EATER'S STORY.

Crawling Over Red Hot Bars of Iron in His Fearful Frenzy—A Scientific Investigation and Its Results.

Cincinnati Times-Star.

"Opium or death."

This brief sentence was fairly hissed out by a man of prominent druggist on Vine street by a person who, a few years ago well off, is to-day a hopeless wreck!

One can scarcely realize the suffering of an opium victim. He Quincy has vividly portrayed it. But who can fully describe the joy of the rescued victim?

H. C. Wilson, of Loveland, O., formerly with March, Harwood, & Co., manufacturing chemists of St. Louis, and of the well-known firm of H. C. Wilson & Co., chemists, formerly of this city, gave our reporter yesterday a bit of thrilling personal experience in this line.

"I have crawled over red hot bars of iron and coals of fire," he said, "in my agony during an opium frenzy. The very thought of my sufferings freezes my blood and chills my bones. I was then eating over 30 grains of opium daily."

"How did you contract the habit?"

"Excessive business cares broke me down and my doctor prescribed opium! That is the way nine-tenths of the cases commence. When I determined to stop, however, I found I could not do so."

"You may be surprised to know," he said, "that two-fifths of the slaves of opium are opium eaters. Many of these I met. We studied our cases carefully. We found out what the organs were in which the appetite was developed and sustained; that no victim was free from a deranged condition of those organs; that the hope of a cure depended entirely upon the degree of vigor which could be imparted to them. I have seen patients, while undergoing treatment, supported to opium again to deaden the horrible pain in those organs. I marvel how I ever escaped."

"Do you mean to say, Mr. Wilson, that you have conquered the habit?"

"Indeed I have."

"Do you object to telling me how?"

"No, sir. Studying the matter with several other eating physicians, we became satisfied that the appetite for opium was located in the kidneys and liver. Our next object was to find a specific for restoring these organs to health. The physicians, much satisfied with their code, addressed their attention to a certain remedy, and became thoroughly convinced, on its scientific merits alone, that it was the only one that could be relied upon in every case of disordered kidneys and liver. I thereupon began using it, and supplementing it with my own special treatment, finally got fully over the habit. I may say that the most important part of the treatment is to get those organs first into good working condition, for in them the habit originates and is sustained, and in them over ninety per cent. of all other human ailments originate."

"For the last seven years this position has been taken by the proprietors of that remedy and finally it is becoming an acknowledged scientific truth among the medical profession; many of them however, do not openly acknowledge that, and yet, knowing they have no other specific, their code not allowing them to use it, they buy it upon the quiet and prescribe it in their own bottles."

"A year and a half before, the opium and morphine habits can never be cured until the appetite for them is routed out of the kidneys and liver. I have tried everything, experimented with everything, and the result of my studies and investigation I can say, know nothing can accomplish this result but Warner's safe cure."

"Have others tried your treatment?"

"Yes, sir, many; and all who have followed it have fully recovered. Several of them who did not first treat their kidneys and liver for six or eight weeks, as I advised them, completely failed. This form of treatment is always insisted upon for all patients, whether treated by mail or at the Loveland Opium Institute, and supplemented by our special private treatment, it always cures."

Mr. Wilson stands very high wherever known. His experience is only another proof of the wonderful and conceded power of Warner's safe cure over all diseases of the kidneys, liver, and blood and the diseases caused by derangements of those organs. We may say that from so reliable a source as Mr. Wilson, coming from a personal experience what we have time and again published in our columns. We also extend to the proprietors our hearty congratulations on the result wrought.

Neuralgia

CAN BE CURED WITHOUT THE USE OF OPIUM OR MORPHINE!

The Medical Brief, published at St. Louis, says in the June, 1886, issue: "Many have been victims to the use of opium or morphine, from the use of these drugs for the relief of Neuralgia. It is gratifying to observe that such dangerous habits may be abandoned by the use of TONALIN, which is almost a specific in the acute form of Neuralgia."
